

# Creative Beginnings

## PRESCHOOL

### Creative Beginnings Preschool

is an innovative preschool designed to develop growth and creativity. We specialize in a customized educational experience that combines traditional early childhood learning with enrichment activities in music, movement, and art. The result is a stimulating, enjoyable environment of excellence for young children to learn and grow.

Registration for new students begins on Thursday, January 26th, 2012 at 8:30 am.

- CBP opened September 1996 - **this is our 16th school year!**
- Tours are held by **appointment**.
- CBP **follows Verona's school calendar**, opening in September and closing in June.
- We are **open daily from 8:00 am - 3:15 pm**.
- Parents **choose how many and which days** their children attend.
- We offer **half day, full day, and lunch programs**.
- A student's schedule **can be a combination** of full and half days.
- We have classes for **2 1/2 through 5 years old**.
- We **specialize in handling kids with food allergies**, offering nut free snacks and a separate seating area for our kids with food allergies.
