Sunday Service 10:30AM

On **February 6, 1833**, the Methodist-Episcopal Church in Verona was incorporated. The church grew steadily and on June 6, 1909 a new church building was dedicated. Today, 180 years since its founding, the United Methodist Church of Verona, is a friendly, family oriented church , where everyone is welcome. VUMC is active throughout the community with outreach programs including support of local feeding programs, supporting 12-step AA and NA groups , Women's Space and local school children. VUMC is a vibrant, meaningful community of faith that looks forward to a future of continued service to this wonderful community.

Help us restore our church by purchasing our cookbook honoring both our present and our past and our future!
